FOR IMMEDIATE RELEASE

RAMPS TO CLOSE AT STODDARD WELLS ON INTERSTATE 15 IN VICTORVILLE

Victorville – The California Department of Transportation (Caltrans) will close the north and southbound ramps at Stoddard Wells Rd. at night beginning Monday, September 27 through Friday morning, October 1, 2004. The southbound ramps will close from 11:00 p.m. to 7:00 a.m. and the northbound ramps will close from 9:00 p.m. to 10:00 a.m. Work will continue on I-15 for the mainline freeway-widening project, which will be complete in the beginning of 2005.

Detour:

- ♦ **Proceed north on outer east and west highways to Bell Mountain and use appropriate directional ramp at the interchange.**

Your patience is appreciated during this construction project. Keep alert, pay attention and watch out for irresponsible drivers when entering a highway work zone. **Please slow for the cone zone.**
